Happened Last Night?

What

That's the question you wish answered early every morning.

Each day the globe is combed by hundreds of expert reporters in the employ of the Associated Press, The United Press and the International News Service. They are almost within instant reach of THE NEWS-TIMES through a wonderful system that includes thousands of miles of leased wires.

Their stories pour in daily by cable, by wireless telephone, by wireless messages, every way possible to speed the news.

Three telegraph instruments in THE NEWS-TIMES editorial department are kept busy continually. The copy is edited by a highly trained staff especially for the news, needs and desires of the northern Indiana and southern Michigan territory.

An efficient, reliable, interesting and informative newspaper is what you will find on your doorstep every morning if you are a subscriber to
